Lane Closures on Roosevelt Road between Des Plaines Avenue and Harlem Avenue

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane closures will take place on Roosevelt Road from Des Plaines Avenue to Harlem Avenue, in Forest Park, for an improvement project, beginning, weather permitting, Saturday April 1.

Starting Saturday, Roosevelt Road will be reduced to one lane in each direction between Des Plaines Avenue and Harlem Avenue. Access to driveways, side streets and left turn lanes will be maintained while construction activities are taking place.

The scope of the project includes roadway resurfacing and patching. The overall improvements will enhance safety with improvements to lighting and pedestrian signals along Roosevelt Road. The project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
